# CONDUCTING MENTAL HEALTH ASSESSMENTS

## SERVICES OFFERED

We're offering free mental health assessments to support legal immigration cases of low-income immigrants in Austin, TX.

## ELIGIBILITY

Clients must be receiving pro-bono representation from an Austin-area legal non-profit or private attorney.

## WHO WE ARE

The Mental Health Collaborative is a network of over 150 mental health professionals trained to conduct mental health assessments and write reports to support immigration cases at no cost to the client.
